If approved, the furniture dealer must then submit an invoice to NP for reimbursement after the service is completed. Freight for products and parts covered under warranty will be covered for the forty-eight (48) contiguous states, and the District of Columbia, with the method of shipping at NP's discretion. All claims must include the product serial number. CERTIFICATION

Independent tests show that all NP chairs meet or exceed current ANSI/HFES 100-2007, ANSI/BIFMA and California 117 certification standards. Certain NP products meet California Technical Bulletin 133 and task intensive certification standards. All cylinders are rated Class 4 or better by UNI standards.

DESIGN

NP reserves the right to make changes and improvements in design and materials and to discontinue parts and components at their discretion.

WOMEN'S BUSINESS ENTERPRISE (WBE)

This certification is administered by the Women's Business Enterprise National Council (WBENC) and is used to qualify potential vendors as credible diversity suppliers. NP is certified as a WBE by WBENC.

WOMAN OWNED SMALL BUSINESS (WOSB)

The U.S. Small Business Administration's WOSB Federal Contract Program provides greater access to federal contracting opportunities for WOSBs. The program allows contracting officers to set aside specific contracts for certified WOSBs and helps federal agencies achieve the existing statutory goal of five percent of federal contracting dollars being awarded to WOSBs. NP is certified as a WOSB by WBENC.

HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

The Texas Historically Underutilized Business (HUB) program encourages the use of HUBs in state procurement and provides information to minority and woman-owned businesses on the state's procurement process. NP is certified as a HUB.

BUSINESS AND INSTITUTIONAL FURNITURE

MANUFACTURER'S ASSOCIATION

NP is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of office furniture in its everyday use. Although this testing does not serve as a warranty or guarantee, NP standard products within this price list meet or exceed applicable ANSI/BIFMA X5.1-2011, BIFMA G1-2001 and ANSI/HFES 100-2007 standards. Combinations of options added on to the standard products may not meet ANSI/ BIFMA standards. Those combinations which do not meet ANSI/BIFMA standards are not available on GSA. Additionally, most seating is BIFMA level 2 certified. For more information, contact Customer Service at customerservice@neutralposture.com.

NEUTRAL POSTURE'S COMMITMENT TO NON-OBSOLESCENCE.

To address the way people work today and the ever changing work environment, Neutral Posture introduces new and improved products. These introductions are designed to retrofit existing customer inventory. Enhancements mean nothing if you can't adapt. If a product is enhanced, function changes or demand becomes low, Neutral Posture will provide compatible products across generations of equal or similar appearance and operational characteristics in terms of form, fit and function. Because mills and suppliers discontinue fabrics, laminates and paints with little or no notice, Neutral Posture is not able to guarantee finish availability. When possible notification of discontinued finishes to dealers and end users will be made. Neutral Posture will provide a 90-day window from the date of discontinuation in which we will guarantee availability of the finish.

GENERAL INFORMATION

GSA Contract Overview

GSA CONTRACT

We have had a contract with GSA for over 20 years and they continue to be our most favored customer.

NP is dedicated to helping government agencies meet their facilities and acquisition needs. NP is registered with the System For Award Management (SAM) formerly Central Contractor Registry (CCR) with ORCA certifications, has an assigned cage code of 0UTL8 and is eligible to receive federal contract awards. NP is also recognized as a Woman Owned Small Disadvantaged Business by the U.S. Small Business Administration (SBA).

WOMEN-OWNED SMALL BUSINESS (WOSB) / ECONOMICALLY DISADVANTAGED WOMEN- OWNED SMALL BUSINESS (EDWOSB)

The U. S. Small Business Administration (SBA) issued the Final Rule to amend its regulations governing small business contracting procedures. The SBA has increased the emphasis and awareness of contracting mandates regarding the new 5% spend mandate for WOSB/EDWOSB's similar to those in place for 8a, SDV and HUB Zone businesses.

The SBA has also implemented a Sole Source vehicle for Economically Disadvantaged Women-Owned Small Businesses (EDWOSB). Neutral Posture, a small business manufacturer, received this certification in April of 2016.

Our Packaged Office contract includes many great manufacturing partners and we are willing to team with other manufacturers to support strong GSA Dealers and meet the needs of our customers.

GRADED IN AND COM UPHOLSTERY

Neutral Posture's furniture is manufactured to the highest standards. The unique nature of upholstery and the other materials that are used in production means that no two pieces will be exactly alike. Fabrics will upholster differently based on composition and construction. Neutral Posture makes every effort to ensure that each item is produced to our exacting standards, but cannot be held responsible for slight variations in upholstery, color and general appearance.

Our artisans are skilled in creating consistent finishes across all products and materials. However, the individual nature of the materials used in the construction of our furniture means that no two pieces of furniture are exactly alike. Similarly, the images in our publications are as accurate as your monitor is calibrated, but customers are reminded that colors and finishes may vary according to the unique nature of each item of furniture.

Neutral Posture will not be responsible for variances in the sit and performance of a chair due to the fact that certain fabrics such as knits will perform differently than milled fabrics. Generally, knitted fabrics will create a softer sit and milled fabrics will provide a firmer sit.

For specific color matching requirements please contact Customer Service.

The Neutral Posture Upholstery Department is pleased to offer a Graded-in program and also accepts C.O.M. for most products. For certain items or in cases of unusual or difficult fabric patterns additional material may be required. Any unusual or special cutting requirements must be requested in writing and a full-width fabric repeat sent to Customer Service in order for a quotation to be provided. The customer is responsible for shipping C.O.M. to our Upholstery Department.
